## **Actions Taken-**

Analyzing the Feedback received from the students in the Academic Session 2021-22 the following actions have been taken to improve the overall Teaching-learning experience.

1. Students' feedback in Curriculum and teaching, Students- Teacher's interaction, Library and Laboratory facilities are satisfactory. Our central weakness is the lack of infrastructure. We are trying our best to develop the infrastructure of the college.
2. The students' feedback on extra-curricular activities is poor. We are going to introduce new courses catering to the demand for the extracurricular and vocational courses.
